Prague Visit

John Menzies plc (Menzies) is today hosting a visit of investors to its Menzies Aviation Group operation at Prague. The visit will include a tour of Menzies Aviation's passenger and ramp, cargo handling and executive aviation facilities. There will be a presentation and question and answer session.

Menzies takes this opportunity to confirm that trading at both its Distribution and Aviation divisions is in line with expectations.

Notes for Editors

John Menzies plc, the international support services business, has two divisions: Menzies Distribution and Menzies Aviation.

Menzies Distribution is a leading provider of added value services to the newspaper and magazine industry. With over 3,300 employees, it services 21,500 customers from 30 branches across the UK.

Menzies Aviation operates from 80 stations in 22 countries. With over 7,000 staff serving over 300 airlines, the business handles approximately 700,000 tons of cargo and 350,000 flights each year. Its AMI operation is the world's largest trade-only air freight consolidator, covering over 900 destinations for 2,000 customers worldwide.
